

The Montana Hunter Jumper Association is holding its' Third Annual Benefit Show on July 30-31st at the Whitefish Equestrian Center. Monies raised from the show will fund the MHJA Junior Scholarship program, as well as various member programs. We are reaching out to Montana vendors with customer bases compatible with our membership base for sponsorship of various portions of the show. The equestrian lifestyle encompasses much more than clothing and tack. Trucks, trailers, lodging, ranch equipment, landscaping, insurance, and veterinary care are just a few of the products and services utilized by equestrians and their families every year.

All sponsorships include a banner displayed at the show, ability to display goods, advertising in the premium, and recognition at the show. The MHJA's tax deductible number will be provided to every vendor and individual supporting the event. Sponsorship levels are as follows:

General sponsor	\$50	
Division sponsor	\$75	
Jump sponsor:	\$100	
Thoroughbred Division	\$100	
Gambler's Choice	\$300	
Hunter Derby	\$300	
Ring sponsorship	\$500	includes large banner on the ring

The MHJA has steadily grown from a handful of riders cobbling together shows into a nationally recognized non-profit association boasting USHJA regional and national champions at the amateur and professional levels. Large open spaces, natural beauty, and a strong equine community have drawn many professional equestrian riders and trainers to Montana. With a strong base of professionals, MHJA has seen a steady increase in junior and amateur adult participation in the last 10 years.

MHJA membership totaled 135 in 2015. 12 approved shows will be held in the state this year, with numerous clinics by world-renowned riders and trainers scheduled across Montana. Participation numbers at MHJA approved shows averages 100 riders and a majority of exhibitors have a trainer and spectators in attendance.

I will be contacting you with the next few weeks to answer any questions you may have regarding this opportunity or the Benefit Show itself. Thank you for your support of the Montana Hunter Jumper Association. We look forward to seeing you at the Third Annual Benefit Show and building a lasting, mutually beneficial relationship.

Warm Regards,
